5X1A PERSONNEL DIRECTOR MEMORANDUM NO. [REDACTED]

SUBJECT: Part-time and "Summer-Only" Employment of Dependents of Agency Personnel

1. The Acting Deputy Director (Administration) has approved the employment of dependents of Agency personnel for clerical duties, on a part-time or "summer-only" basis, except for assignment to DD/P Staffs or Divisions and the Office of Current Intelligence. Dependents as referred to herein will include sons and daughters 16 years of age or over, and wives or husbands, except wives or husbands who were not married to their present spouse when his or her full field investigation was conducted. Individuals other than dependents as defined above will not be considered for this type of employment.

2. The Director of Security will issue special secret clearances for dependents to be hired for part-time or "summer-only" duties. Upon entering on duty, they will be given special security indoctrination by the Security Office and they will be issued limited passes which will restrict their movements to the general area of their employment. The material with which they will be working will be classified no higher than "Secret". It will be the responsibility of each office concerned to establish adequate supervision and other necessary safeguards to insure enforcement of these restrictions.

3. Part-time and "summer-only" employees will be hired on a contractual basis. They will be charged against regular T/O vacancies and existing ceiling limitations will be maintained. However, it will be permissible to slot a part-time or "summer-only" employee against a position encumbered by an applicant who is in process for full-time employment. When the full-time employee enters on duty, the part-time or "summer-only" employee will be reassigned, if possible, or his contract will be terminated. The following hourly rates of pay are established for individuals to be hired under this authority:
